

Dr. Leigh Erin Connealy, M.D., author of the *Cancer Revolution*, is a globally recognized leader in integrative and functional medicine and the founder of the Center for New Medicine and Cancer Center for Healing—North America's largest integrative clinic. She specializes in early detection, prevention, and treatment of all stages of cancer, as well as autoimmune disorders and human optimization, using advanced diagnostics and non-toxic, root-cause therapies to support whole-body healing.

**Recent Honors and Recognition:**

- Named one of the Top 50 Integrative Medical Practitioners
- 2025 Beljanski Award Winner – Most Outstanding Integrative Cancer Clinic in the United States
- Featured expert in dozens of health media platforms, including SiriusXM, TBN, *WDDTY*, *Perfectly Healthy Episodes*, and *The Truth About Cancer*
- Social media reaches over 1 million followers across Instagram and TikTok

**A Mission-Driven Healer**

Dr. Connealy's mission is to transform lives by empowering patients to take ownership of their health through education, prevention, and integrative treatment. Her legacy continues to inspire the next generation of physicians and patients alike.
