

CALL FOR LATE BREAKING ABSTRACTS

United in Science

October 3-6, 2021 | San Juan, Puerto Rico

67th Annual International Meeting
UNITED IN SCIENCE

October 3-6, 2021
San Juan | Puerto Rico

The 67th Annual Meeting of the Radiation Research Society (RRS) will be held at the Hotel Caribe in San Juan, PR Sunday, October 3 through Wednesday, October 6, 2021, with the one-day RRS Scholars-in-Training Workshop scheduled for Saturday October 2, 2021.

Members of the Program Committee have assembled an outstanding scientific program highlighting the state-of-the-art in radiation sciences, with particular emphasis this year on new and advanced radiotherapy delivery techniques, molecular mechanisms, and epidemiology and radiation protection topics.

Continuing this year will be the inclusion of CME credits for selected scientific sessions.

It's been far too long, and we look forward renewing old friendships and forging new ones in San Juan. Come to experience and discuss all the latest in radiation physics, chemistry, biology, epidemiology, and medicine. Contribute your latest research and let's make this the best and most memorable RRS meeting yet. Don't forget to share your excitement and connect with other attendees using #RadRes2021 on all social media channels!

See you in San Juan,

Sally Amundson, Sc.D.

Chair, RRS 2021 Program Committee

RRS 2021 Call for Late Breaking Abstracts

ABSTRACT SUBMISSION

All abstracts must be submitted online. To avoid delays in your submission, prepare your abstract offline and save it as a text, Word, or WordPerfect (.txt., .doc, or .wpd) file before starting. The abstract size is limited to 2,000 characters (not including spaces). Be sure your abstract is accurate before you complete the submission and retain the control number you receive upon completion.

Reminders:

- Your membership must be up to date for 2021.
- Each individual may only be the presenting author on one poster per category.
- The presenting author must be registered for the meeting by August 30, 2021.

REGISTRATION & HOTEL

The RRS 2021 Annual International Meeting will be held at the Hotel Caribe in San Juan, Puerto Rico. All presenters at the RRS 2021 meeting are expected to register for the meeting. Meeting registration and hotel reservations are now being accepted. More information is available through the [RRS registration site](#).

ABSTRACT CONTENT AND FORMAT

All presentations must be scientific in nature and without inclusion of commercial messages or inappropriate references to specific products, services, or commercial concerns. The title should be in lowercase letters with only the first word capitalized. The body of the abstract should be single-spaced.

EXAMPLE: *Temperature dependence of ionizing radiation effect on dry preparations of bacterial enzymes.*

PRESENTATION

Poster dimensions are limited to 4'x4' (1.21m x 1.21m). Each poster should include a heading with title and author (s) using lettering at least 22mm (1") high. The abstract should be part of the poster presentation. The legible print should be viewable from 1 meter away. Therefore, lettering should be heavy and at least 10mm (3/8") high.

PROGRAM AND ABSTRACTS

The Program Book will be distributed onsite to meeting registrants and an Abstract PDF will be emailed to registered attendees approximately 2 weeks prior to the meeting. Meeting content will be available online prior to the meeting.

Continuing Education Credits

ACCREDITATION STATEMENT AND INFORMATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Medical Education (ACCME) through the joint relationship of the AMEDCO and the Radiation Research Society (RRS). AMEDCO is accredited by the ACCME to provide continuing medical education for physicians.

FACULTY DISCLOSURE

In accordance with the ACCME guidelines, RRS requires all faculty speakers to disclose all commercial relationships relative to the content of this CME activity. Individual faculty disclosure will be provided in the course syllabus for the General Session. All presentations will be peer reviewed for fair balance and evidence based medicine.
