Radiation Research Society’s 66th Annual Meeting
Transitions to Virtual...

...but some things remain the same
The annual meeting features both contributed and invited papers from all fields of radiation research, particularly physics, chemistry, biology, medicine, and epidemiology. The presentations include award lectures, keynotes, symposia and topical reviews devoted to specific topics of current interest. Posters will also be presented virtually. There will be sufficient opportunities to interact with the entire audience of attendees, as well as schedule one-on-one appointments.

WHO ATTENDS THE RRS ANNUAL MEETING?

70% - Researchers and clinicians from over 20 preeminent US and international universities and medical schools, including radiation oncology departments. Early Career Investigators — emerging scientists and students who will be the innovators in the field; collaborate with the future in your world.

20% - Leading scientists and program directors from US funding agencies, research institutes, and national labs

10% - Leading scientists and staff from many important biomedical professions

HOW HAVE YOUR OPPORTUNITIES INCREASED?

Despite the loss of face time at our annual meeting, we have adjusted our programming to ensure you get the most exposure possible.

- Significant reduction in registration rates
- First ever fully-recorded event—promotions to non-members will increase audience!
- All registrants receive a 30 day all access pass to the virtual platform, including exhibitor “booths”
- Opportunities for live speaking sessions and branded lounges.

ELIGIBILITY

RRS views the exhibits as an integral part of the educational and scientific program. Qualified exhibitors are limited to firms, organizations, and agencies whose exhibits promote awareness of products, technologies and services that are recognized and approved by RRS and are supportive of the objectives of the Annual Meeting. RRS has the sole right to determine the final eligibility of any firm, organization, agency, or product for inclusion in the exhibit area. Exhibitors may not assign, sublet, or apportion others to the whole or any part of the space they are allocated. Only products that are manufactured or distributed by your company may be displayed in the exhibit area.
### Show Specific Information

Payment Information

_____Check (payable in U.S. Funds to: Radiation Research Society)  _______ VISA   _______MasterCard   _______ AMEX

Credit Card Number: ___________________________________________ Exp. Date: _________ CVV_________

Print Name on Card: _______________________________________  Signature:____________________________________

- I hereby contract with the Radiation Research Society (RRS) to support the 2020 RRS Virtual Annual Meeting as outlined above.
- I agree to provide RRS with an electronic copy of my corporate logo and authorize use of this logo as noted for the sole purpose of sponsor identification. All artwork is due August 31, 2020. (If this deadline is missed, graphics will not be included in the program book and RRS cannot be held responsible)
- I understand that my balance is due to RRS headquarters no later than September 30, 2020.
- I understand that this contract may not be changed or cancelled after the closing deadline of September 30, 2020.
- I agree to the Terms of Payment and Cancellation policies, as outlined below and within this prospectus

Payment Schedule:
Upon Receipt of Contract: 50% of total booth fee is due
By September 30, 2020: 100% of booth fee is due

Cancellation:
By August 31, 2020: 50% of total booth fee is charged
After August 31, 2020: 100% of total booth fee is charged

- I acknowledge the Terms and Conditions in Exhibit A as part of the legal and binding contract.

Authorized Signature: ____________________________________________ Date: _____________________________

PLEASE RETURN CONTRACT VIA:
Mail: RRS 2020 Virtual Annual Meeting, c/o Radiation Research Society | 380 Ice Center Ln, Suite C, Bozeman MT, 59718
Fax: 406.587.2451 | Email: audrey@radres.org
Terms of Payment:
Booth space will be held until August 1, 2020, at which time a 50% deposit is due. If deposit is not received by August 1, 2020, RRS reserves the right to release the exhibit space for resale. Booth space must be paid in full by September 30, 2020.

Exhibitor Benefits:
All artwork associated with exhibitor benefits must be submitted by August 31, 2020.

Cancellation:
The exhibitor may cancel without penalty provided written notification is received via email on or before August 7, 2020 (audrey@radres.org). If notification is not received by this date, the exhibitor will be fiscally responsible for the sponsorship selected. Failure to make payments does not release the exhibitor from any contractual financial obligation.

Exhibit Eligibility:
RRS views the exhibits as an integral part of the educational and scientific program. Qualified exhibitors are limited to firms, organizations, and agencies whose exhibits promote awareness of products, technologies, and services that are recognized and approved by RRS and being supportive of the objectives of the Annual Meeting. RRS has the sole right to determine the final eligibility of any firm, organization, agency, or product for inclusion in the Exhibit area. Exhibitors may not assign, sublet, or apportion others to the whole or any part of the space they are allocated. Only products that are manufactured or distributed by your company may be displayed in the exhibit area.

Exhibitor Responsibilities:
The exhibitor is responsible for providing documents, images, graphics, data or content, and other logos or needed graphics to set up their booth in a timely manner and by the deadlines stated in this contract. If the RRS meeting management team has to resize, parse, or convert the supplied files additional charges may apply. The exhibitor understands that delays in providing this information will impact timelines and, potentially, may result in exclusion from the meeting platform. The exhibitor will test their booth to ensure accuracy and will provide the RRS meeting management team with feedback and comments, in writing, at least 2 weeks prior to the meeting start date. Upon completion of the testing phase, the exhibitor will sign off on the accuracy so that the project can be moved to the live/production environment. Should the RRS meeting management team provide any services during the live event, the exhibitor will be responsible for any electrical, telecom, internet, and/or union fees associated with the set-up and delivery of products and services.

Virtual Platform Information:
All content included on the site, such as text, graphics, logos, button icons, images, audio clips and software, is the property of Virtual Event Place, or its content suppliers and is protected by U.S. and international copyright laws. The collection, arrangement and assembly of all content on this site is the exclusive property of Virtual Event Place and is also protected by all U.S. and international copyright laws. Any reproduction, modification, distribution, transmission, republication, display or performance, of the content on this site is strictly prohibited.

This site or any portion of this site may not be reproduced, duplicated, copied, sold, resold or otherwise exploited for any commercial purpose that is not expressly permitted by Virtual Event Place. Unauthorized attempts to upload information or change information are strictly prohibited and may be punishable under the Computer Fraud and Abuse Act of 1986. Our Web server collects the IP address, operating system and browser software used by our visitors. An IP address (which is different than an email address) can tell us the user's Internet service provider and based on that, can suggest the geographic location of the connection. We also collect information about which pages they visit, the order in which they were visited, and which hyperlinks they click. This information helps us evaluate the effectiveness of various parts of the site. For more information on the Virtual Platform privacy information and policies, click here.

Reporting / Analytics:
The reporting system of the meeting platform provides numerous standard options. There are also options to allow export in Excel and PDF formats, ideal for printing needs. Any other reporting needs can be built as a custom report should the exhibitor need them.
