Travel Tips

1. Pack for the weather! Daily highs average about 30°F - 39°F and lows from 0°F - 10°F. We suggest bringing a winter jacket, snow pants, thick gloves, hat and snow boots. Layers are advised.

2. Purchase discounted lift tickets during registration. The mountain is renowned for Big Mountain terrain and tram access to the top of Lone Peak. The lift lines are small to non-existent and there is something for first timers or expert skiers!

3. The West Entrance to Yellowstone National Park is only one hour’s drive south from Big Sky. Enjoy a snowcoach tour of the park and see the beauty of our first national park!

4. Be prepared to pay the resort sales tax, which is currently just 3%. The state of Montana doesn’t have a sales tax, but certain resort areas in the state do.

5. Get recommendations from a local! Find a collection of recommendations from attractions and activities to food and music HERE.
