# Radiation Research

**One the cover: Villagomez-Bernabe *et al.*, "Fast Ion-Beam  
Inactivation of Viruses, Where Radiation Track Structure  
Meets RNA Structural Biology"**

# Available Now on the RRS Online Classroom

Experience our world-class meeting recordings, available now, and courses for CME credit to be made available in the near future, through our new Online Classroom.

Using your membership login, you can now access all of your RRS store purchases in one place. Visit [radres.org/courses](https://radres.org/courses) to begin building your classroom and [radres.org/classroom](https://radres.org/classroom) to access your personally purchased course library.

## RRS Membership Grace Period

If you are an RRS member; and have not fulfilled your annual dues, your membership will enter a grace period until March 31, 2022. To ensure membership access, please contact Audrey with member services: [audrey@radres.org](mailto:audrey@radres.org) before April 1, 2022.

*Thank you to all our loyal members of the Radiation Research Society!*
