

RRS Program Chair, Julie Schwartz, MD, PhD and her stellar committee are full sail ahead planning the next world class scientific program at the beautiful *Hilton Waikoloa Village*.

## Together Again

68<sup>th</sup> Annual International Meeting

Registration and Hotel Reservations

Open on April 4, 2022

Rooms starting at \$245

October 16 – 19, 2022  
Waikoloa, Hawaii

Our room block at the *Hilton Waikoloa Village* is limited, and will be on a first come first serve basis for extending time on the Big Island. Our 2020 rates are still in place for 2022. ALOHA!

|                  |                 |            |                |
|------------------|-----------------|------------|----------------|
| 4                | 15              | 30         | 4              |
| Plenary Sessions | Topical Reviews | Symposiums | Award Lectures |

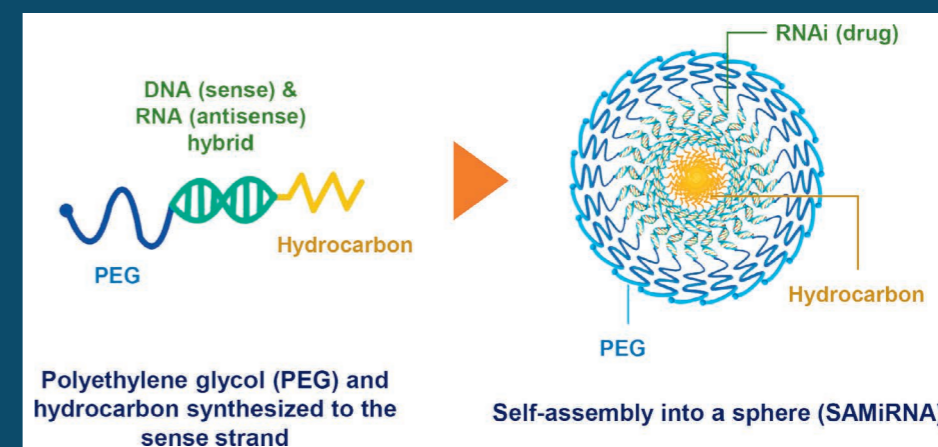

*Plus our in-person attendees can look forward to:*

- The return of our interactive poster sessions and valued exhibitors
- A Full-Day SIT Program, plus an integrated SIT and ECI Social, held before the main program, on Saturday, October 15th
- Interpersonal collaboration between our members and committees
- And, of course, a Final Night Luau on Wednesday, October 19th

For more info, contact RRS at 1-877-216-1919  
Monday – Friday, 8:00am – 5:00pm MT

# Radiation Research

**In this issue: Salem *et al.*, "Interspecies Comparison and Radiation Effect on Pharmacokinetics of BIO 300, a Nanosuspension of Genistein, after Different Routes of Administration in Mice and Non-Human Primates"**

**On the cover: Son *et al.*, "SAMiRNA Targeting Amphiregulin Alleviate Total-Body-Irradiation-Induced Renal Fibrosis"**

# Available Now on the RRS Online Classroom

Experience our world-class meeting recordings, available now, and courses for CME credit to be made available in the near future, through our new Online Classroom.

Using your membership login, you can now access all of your RRS store purchases in one place. Visit [radres.org/courses](https://radres.org/courses) to begin building your classroom and [radres.org/classroom](https://radres.org/classroom) to access your personally purchased course library.

## RRS Membership Grace Period

If you are an RRS member; and have not fulfilled your annual dues, your membership will enter a grace period until March 31, 2022. To ensure membership access, please contact Audrey with member services: [audrey@radres.org](mailto:audrey@radres.org) before April 1, 2022.

*Thank you to all our loyal members of the Radiation Research Society!*
